# **398<sup>th</sup> Bombardment Group Formation Chart**

**Mission 39: 24 June 1944**

**Target Assigned: Group A. Bachimont, France**

**Target Assigned: Group B. Crepy, France**

**Target Assigned: Group C. Fleury, France**

**Target Assigned: Group D. Belloy-sur-Somme, France**

## **Over Target Area**

Note 1: After Assembly Formation Chart was identical to the Planned Formation Chart and is identical to this Over Target Area Chart.

Note 2: Because of 10/10 cloud cover none of the groups were able to drop their bombs in the target area. Some with delayed action dropped in the ocean but the rest returned to base. Because of flak along the way, it counted as a mission. More details in Operations Officer's Report.

Note 3: There was no Over Target Formation Chart in the 398<sup>th</sup> records, probably because the groups were only in the target area and did not drop their bombs. The Over Target Area Formation Chart above was assembled for completeness and was based on the Planned Formation Chart.
